Dear Ms Johnson,

We met earlier this year, when Logan Park hosted (so splendidly) the concert by the 'Kleingeldprinzessin und die Stadtpiraten'.

I enclose a programme for the German Film Festival opening in Dunedin at the Riako Cinema on Wednesday 25<sup>th</sup> November, and two vouchers which can be exchanged for tickets to any screening.

The director of the Goethe-Institut, Christoph Mucher, will be in Dunedin on Wednesday 25<sup>th</sup> November for the opening, and would very much like to visit Logan Park to discuss with you the possible selection of Logan Park High School as a school of excellence in the German Partner School Programme. This project involves a 'family' of 1000 schools of excellence around the world, all of which offer German and receive special benefits to maintain and enhance their German programmes. At present we have two partner schools in New Zealand: Takapuna Grammar in Auckland and Burnside High School in Christchurch.

Would you have a slot on Wednesday 25<sup>th</sup> to meet with Christoph Mucher to discuss this? Please let me know by phone, fax or e-mail.

All good wishes,

Judith Geare

16 November 2009

Dear Judith

Thank you for your very kind offer of Logan Park High School becoming a school of excellence in the German Partner School Programme.

I regret Logan Park High School is unable to consider your offer at this time.

Yours sincerely

Jane Johnson  
Principal  
Logan Park High School
